

REFLECTIONS COLLECTIVE / A BASECAMP AFTERNOON

OFF SCRIPT.

*A little less should.
A little more you.*

YOUR STORY PASSPORT

A place for little discoveries. Entirely yours.

NOVEMBER 21, 2026 / 12-5 PM EASTERN

Collect a little. Leave room.

Circle something. Make a mark. Tuck in a scrap. Or simply enjoy the afternoon. This is yours, not something to finish.

Today, a little more...

☐ play

☐ quiet

☐ possibility

☐ company

Something I am curious about in my life right now:

Optional, always. You can pass, observe, pause, or change your mind. No name needed; no handing this in.

Who made that rule?

A LITTLE SOUVENIR FROM HERE / entirely optional

Pick an everyday "should" from the game, or make up a silly one.
Circle where it goes today.

MY SCRIPT REMIX

A rule, a doodle, or a card from the game:

☐ KEEP

☐ REMIX

☐ RETIRE

☐ STILL DECIDING

If I remix it, my version could be...

Keeping a rule that matters to you is a choice, too.

Follow what catches your eye.

A LITTLE SOUVENIR FROM HERE / entirely optional

A colour. A place. A texture. Something wonderfully impractical.
Choose a few things you like, without needing to explain them.

*Beautiful? Maybe.
Messy? Absolutely.
Yours? Always.*

The illustration is an invitation, not a standard. Make a larger collage on separate card, or use the next page. Keep it loose if you like.

No explanation required.

*Images, words, marks, scraps.
Or a beautiful blank space.*

A title, if I feel like giving it one:

A Tuesday I have not tried.

A LITTLE SOUVENIR FROM HERE / entirely optional

Choose a story door. Follow a possibility, go back, or leave it open.
There is no result you need to reach.

A souvenir from the story

A word, a sketch, a detail.
Or tuck your story card here.

Imaginative play, not a personality assessment. Keep only what resonates.

A little more of this?

Circle anything that caught your attention. Add your own, or leave it in the story.

discovery

rest

making things

company

freedom

something else

If I wanted a tiny taste of it...

Imagine it. Draw it. Keep a question. No plan required.

A possibility can be interesting without becoming a commitment.

WAIT, YOU TOO?!

A little "you too?"

A LITTLE SOUVENIR FROM HERE / entirely optional

A moment to collect

Circle one, or add a mark of your own.

- | | |
|--|---|
| ☐ a shared laugh | ☐ a lovely difference |
| ☐ feeling understood | ☐ enjoying listening |

A word, a doodle, a little memory:

No names needed. Ask before exchanging details, taking photos, or giving advice.

Make room for a possibility.

A LITTLE SOUVENIR FROM HERE / entirely optional

Try something small, imaginary, or real. Put a word, sketch, or scrap wherever it fits. It can sit between zones, too.

IN MY HANDS

Something I can choose or influence

WITH SUPPORT

People, resources, or conditions that could help

NOT MINE TO CARRY

What is not my responsibility, or can wait

Needing support does not make this less yours. No decision needed today.

A thread to follow?

Look back at your opening curiosity, if you left one. It can be the same, different, or still a mystery.

- ☐ something feels clearer
- ☐ a new question appeared
- ☐ still wondering
- ☐ today was simply today

Look back. Is there something that kept showing up?

An idea, a feeling, a colour, a wish.
Or something unexpected.

No pattern is an answer, too. No before-and-after story required.

Dear future me,

A LITTLE SOUVENIR FROM HERE / entirely optional

Here is something I would like you to remember...

Keep this note here or copy it onto a separate card to seal for yourself. No promise or next step required.

You can leave the ending open.

Keep what fits.
Let the rest wait.
There is room to keep discovering.
